## Wine & Food lovers

Become absorbed into the vibrant world of Hawke's Bay wine, New Zealand's oldest wine producing area and the second largest wine production region. Talk with the personalities who are passionate about crafting world class wines from our soils. With our warm maritime climate, diverse landscapes and 25 different soil types, Hawke's Bay is fast becoming a region with a reputation for superior quality red wines. It is also home to some of New Zealand's richest and most complex chardonnays. Visit some of the best wineries and taste their award winning wines. The Hawkes Bay's rich soils and warm growing conditions attract many epicurean food producers. Visit some of the best, both large and small and see how they prepare and grow their produce. Guided by a wine specialist, this is a fantastic day for wine and food lovers.

Again, this tour can be tailor-made to suit your interests, either a full day or a half day.

Lunch options vary from picnics and platters to full winery lunch, private cellar degustation.
